

# CHIARETTO GARDA COLLI MANTOVANI

“A FRESH, BUT WITH A FIRM  
STRUCTURE ROSÉ WINE”

## PRODUCTION AREA

Vineyards are situated in the area between the temperate south coast of Lake Garda and the hills northwest of Mantua

## GRAPE VARIETY

Merlot, Rondinella e Cabernet

## HARVEST AND VINIFICATION

Harvest usually starts end of September . The berries are crushed and the must undergoes a very short maceration, to extract the colour, and finally the juice is fermented in stainless steel tanks, in order to bring out the aromatic characteristics of the grapes.

## COLOR ●

## TASTING NOTES

It has a bright cherry-red colour . It has delicate scents of berry fruits and wild rose accompanied by fruity and floral notes on the palate. Due Rose is a fresh, soft and harmonious wine, where red berry-like sensations are combined with a youthful freshness.

ALCOHOL 12,5%

## THE ADVICE

Excellent with risottos and succulent pastas, it goes well with white meats. To be tasted fresh in combination with polentine with sauces.
