

# SOAVE DOC

“FROM THE HOMONYMOUS LOCALITY TO THE EAST  
OF THE CITY OF LOVE “

## PRODUCTION AREA

Vineyards are located on the east side of Verona.

## GRAPE VARIETY

100% Garganega.

## HARVEST AND VINIFICATION

The picking of the grapes starts in early September. All the wine process aims to underline the rich bouquet of this wine. The soft pressing is followed by a cold maceration and a traditional fermentation in steel tanks at controlled temperature.

## COLOR ●

## TASTING NOTES

Straw yellow colour. The nose shows fresh notes of apple and broom. It is dry and well-structured, high acidity which is in harmony with the fruits of the nose.

## ALCOHOL 12,5% ●●●●●●●●●●●●●●●●

## THE ADVICE

A wine that allows you to enhance the aromas and flavors of the area. Excellent with vegetables, homemade pasta, boiled beef with sauces.
