

# GARGANEGA VERONESE IGT

“VENETO WHITE WINE”

## PRODUCTION AREA

The vineyards of this fresh young and typical white wine are situated in the countryside close to Verona.

## GRAPE VARIETY

100% Garganega

## HARVEST AND VINIFICATION

After the harvest, carried out during the first week of September, berries are crushed and the must undergoes a cold maceration. After that the wine is fermented into still tanks in order to get its fruity and fresh aroma.

## COLOR

## TASTING NOTES

Light yellow color, with hits of straw yellow. It is fruity and floral on the nose. The palate is fresh, mineral with a good acidity and a pleasant final tasting.

ALCOHOL 13%
